

Caring for Haitian Orphans with AIDS, Inc. is a Tampa Bay area 501(c)(3) non-profit that provides long-term comprehensive care to HIV-positive neglected children in Haiti. We employ HIV-positive women as “mothers” to deliver direct care to our children. These children depend on us to meet all their basic needs. We are committed to this population of children in Haiti and look to **YOUR** support to continue this great work.

Our Goals

CHOAIDS strives to provide the following for each of the children in its care:

- A safe home environment
- 3 meals and 2 snacks per day
- Vitamins and meal supplements
- Access to antiretroviral therapy
- Education through secondary school
- Clothing
- Transportation
- Psychological and spiritual support
- A sense of belonging

CHOAIDS, where HIV+ abandoned children get a second chance at life

Our Vision

- To create a safe and friendly home environment for HIV+ children
- To make sure the HIV+ children in our care receive stellar treatment
- To eliminate stigma in care delivery to persons living with HIV infection especially children
- To promote CHOAIDS as the standard of care for HIV+ neglected and abandoned children

Make a difference in a child's life today!
